

New desktop

If you wish to order a new desktop you can send an email to **bestellingen@strw.leidenuniv.nl**

Regarding the “Europeese aanbesteding” there is an policy for computer acquisition. More information about this policy can be found here :[Policy Computer acquisition](#)

Most of the time there are new desktops in stock with a standard specification. These specifications are:

- Dell optiplex 3020 MT
- Intel core i3-4130 CPU
- 4GB RAM 1600 MHz DDR3
- Intel HD4400 HD Graffics
- 500 GB HDD 7200 RPM

It is also possible to put together/build your own desktop. There for you need to send an email to **bestellingen@strw.leidenuniv.nl** with a clear list of you specifications you wish. Please, be sure that all the specifications your wish to order are listed in the email. This way we can handle your order much quicker because it saves a lot of time if we prevent back and forward emailing for more information.
