

STRW Zoom and UL

Since Januari 22, 2021 the University has a Zoom Business license, currently for Educational purpose only. However, soon the University Zoom License may be used for all communications. Therefore, these two systems STRW and UL need to run side by side for a while.

Unfortunately, Zoom cannot handle the same ID (strw email address) for multiple licenses. Because in the near future the UL Zoom license will be leading, it will hold your STRW email. But since the same email address is connected to the STRW license you need to change that. In fact is is very easy! Since we also own the mail domain @astronomy.nl it is just a matter of changing @strw.leidenuniv.nl into @astronomy.nl.

Change your ZoomID

If you try to change your login ID from the desktop client, you'll be redirected to Zoom's official portal. So, we're demonstrating the method of changing your password from the official portal itself. On Desktop client

To access the page from your Zoom desktop client, go to Settings, click on 'Profile,' and hit 'Edit My Profile.' Now, follow step 4 below.

On Web portal

Step 1: Go to Zoom's official website and log in.

Step 2: Click on 'MY ACCOUNT'.

Step 3: Go to 'Profile' and click on the 'Edit' hyperlink in the 'Sign-In Email' section.

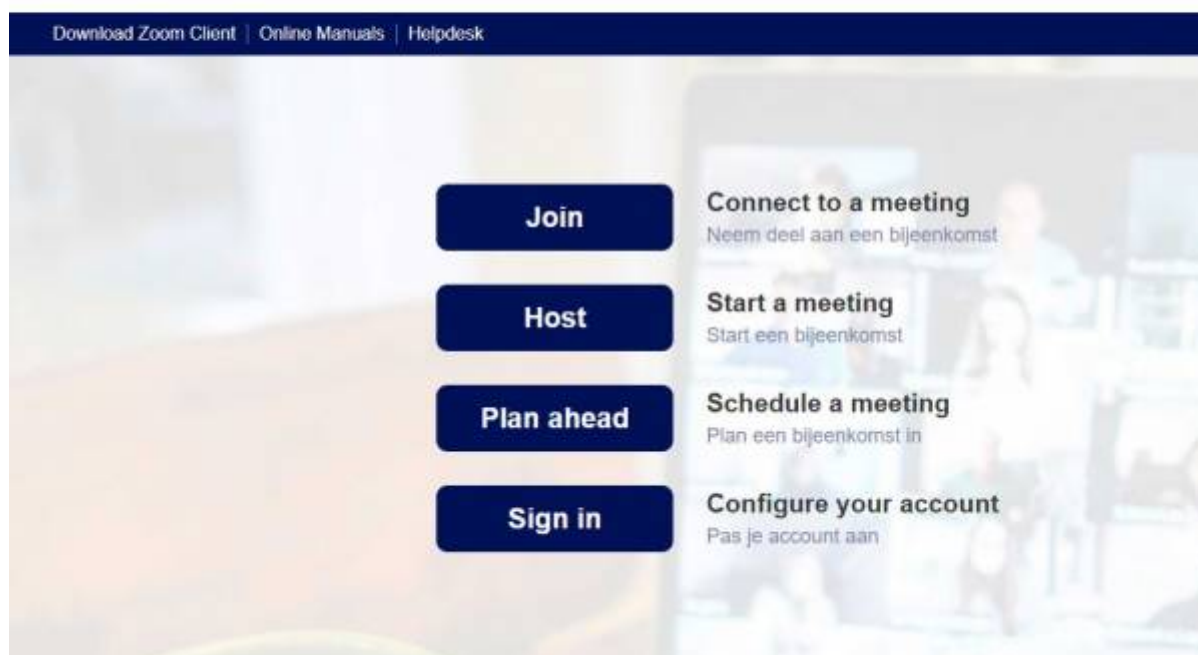

Step 4: Enter the new email ID and click on 'Save Changes.'

The screenshot shows the Zoom web interface. On the left is a sidebar with a 'PERSONAL' section containing 'Profile' (highlighted with a blue bar and a green arrow), 'Meetings', 'Webinars', 'Recordings', and 'Settings'. Below this is an 'ADMIN' section with expandable options: 'User Management', 'Room Management', 'Account Management', and 'Advanced'. At the bottom of the sidebar are links for 'Attend Live Training' and 'Video Tutorials'. The main content area shows the 'Profile' settings. It includes a 'Personal Meeting ID' field with the value '2' and a 'Show' link. Below this is a 'Sign-In Email' field containing 'email@astronomy.nl', with a green box around it and a green arrow pointing to it. A message below the email field says 'Enter your password to change your sign-in email address.' followed by a password field with masked characters. There is also a checkbox for 'I'm not a robot' and a reCAPTCHA logo. At the bottom are 'Save Changes' and 'Cancel' buttons.

The email ID you entered will now be your new STRW Zoom login ID. So use this email address to authenticate to sterrewacht.leiden.zoom.us. You will get several emails from zoom along the way to confirm this change.

University Zoom site

The sign-in web page for the University Zoom system is at: universiteit.leiden.zoom.us

Select the Sign In box and you are redirected to the SAML Single Sign-On window you know from other Campus tools. Authenticate with your ULCN credentials.

A screenshot of the Universiteit Leiden 'Sign in' page. The page has a white background with a dark blue header containing the university logo and name. Below the header, there is a light blue box with a message: 'Are you experiencing problems logging in? Please close your browser completely, or clean up all your cookies in the browser and try again.' Below this, there is a dark blue login form with white text. The form has two input fields: 'Username (Forgotten?)' with the text 'deuler' and 'Password (Forgotten?)' with masked characters. There is a checkbox labeled 'Remember my username'. At the bottom of the form, there is a link 'Activate account?' and a 'Login' button with a right arrow icon. At the very bottom, there is a link 'Login issue?' and a language selector showing 'Nederlands' with a Dutch flag icon.

Once logged in you end up in the usual Zoom Profile page where you can see that your @strw.leidenuniv.nl account is used as the ZoomID.
